**LaSalle School - Residential Services**

Supporting family contact and visitation throughout a student's stay is a key component of treatment at LaSalle School. Knowing when visits may be schedule is of utmost importance to our students and their families. Please see the reverse for our current 2020-21 academic year visitation schedule.

While visit details and decisions are often unique for each family, the annual schedule provides a good reference as to when eligible students may be scheduled. For more specific details on your family and student visitation plan, please call your child's Case Manager or Social Worker.
